

Welcome!

The people that gather here appreciate that smoking the hookah pipe is one of life's great pleasures. Take time out and mellow with the soft sound of bubbling water in which you draw on the vapor of filtered fruit flavoured molasses through a long curled pipe, producing a smooth and flavourful aftertaste.

Here we offer a unique twist to hookah smoking with our exclusively prepared 'mocktail' shishas and premium range tobacco from all corners of the globe.

We have something for everyone, so sit back, relax and enjoy some of the fantastic flavours we have to offer.
